By automobile...

For those who plan to drive to work, NEC Labs offers free, on-site parking. You will be provided a parking tag. Driving directions to the lab are at <http://www.nec-labs.com/contact-us/directions>. If you're considering renting a car during your stay, you might want to look into a mini-lease (minimum 2 months) under our corporate agreement with Avis. Contact Candace Greer, Candace.greer@avisbudget.com, and mention NEC Labs.

By bicycle:

If you find housing within bike commuting distance from our office, we'll provide a bike for use during your internship. Please contact the Human Resources Department for more information. There is a bike rack in the underground garage of our office park.

Travel Reimbursement

You will receive a \$1,000 lump sum travel allowance to cover your round-trip relocation expenses, including airfare/mileage, airport transportation, shipping, etc. if applicable.

Housing

Check out the map of the area around our office here:

Former interns found housing in the following towns: Cupertino (walk or bike to work ☺), Santa Clara (5 miles/15 minutes), San Jose (8 miles, 15 minutes) and Sunnyvale (5 miles/10 minutes). They used Craig's List , Airbnb, and padmapper to find housing.

To give you a point of reference for the cost of housing in the area, last year's interns indicated their rent ranged from \$700-\$2,700/month with the median being \$850.

Housing/Transportation Allowance

You will receive a \$2,500 lump sum allowance to help offset the costs of local housing and commuting costs.

Orientation

New hire orientation for interns is held on Mondays and/or the first day of the month. You'll be contacted about the specific date and time you should attend. Be sure to bring the appropriate identification and work authorization with you.

This is a good hiking and picnic area ~20 miles north-east of Cupertino close to tail end of the bay among the salt ponds and marsh land. It is close to Coyote Hills Regional Park which has an Ohlone Indian archeological site and lots of bayside trails as well. http://www.fws.gov/refuge/don_edwards_san_francisco_bay/
